

S-WORKS POWER

NEW FOR 2015

BLK

TEAM

WHT

The ultra-light S-Works Power saddle is Body Geometry designed for both men and women to have top performance in a more aggressive position. Proven through blood-flow testing and pressure mapping, the extra wide and elongated Body Geometry channel and proper sitbone support allows for all day comfort.

- Patented Body Geometry design is lab tested to assure blood flow to sensitive arteries
- Stiff FACT™ carbon fiber shell tuned for support and ride compliance
- Super-light PU padding for comfort and support on longer rides
- Ultra-light and strong oversized FACT™ carbon rails
- Tough, light and water resistant cover
- Level 1 padding: Lightest level of padding; most direct connection to the bike

NOTE: Oversized 7x9mm carbon rails are not compatible with seatposts equipped with side-load clamp mechanisms for 7mm round rails
