Teen Art Workshops

Monday, March 11, 6:00 PM

MCL Grand Theatre, 100 Charles Street, Lewisville, TX 75057

[Event website](#)

Teen Art Workshops will introduce participants to working artists who will share various processes and techniques for making art in a hands-on way. Participants will take home a project from each workshop.

Second Monday of each month | 6 PM

The cost is \$20 per person unless otherwise noted. Workshops begin at 6 p.m. and are 90 minutes in length unless otherwise noted. To register, visit the Teen Art Workshops page on [MCLGrand.com](#).

Monday, March 11, 6 p.m. Printmaking with Calli Nissen

This workshop will introduce students to the printmaking relief process. Students will carve into linoleum blocks to create an image. The block can then be inked up and pressed into paper. This process can be repeated over and over allowing the students to create multiple prints.

Calli Nissen is a printmaking artist who focuses in woodcut relief. Her work takes a calm, realistic look at the area she was raised in, and has strong memories of the northern Rocky Mountain West. She is interested in human's relationship to the land, and the plants and animals that inhabit it. She received her BFA from the University of Wyoming, focusing in printmaking and ceramics. She is currently an MFA candidate at the University of Dallas.

Monday, April 8, 6 p.m. Acrylic Pouring with Art House Cost: \$30 per person

Learn the technique of pouring with acrylic paint to create landscapes, abstracts, and animals. Workshop participants will learn to use the elements and principles of design to create full, functional, and stylish compositions. Each participant will complete pours on 4 different canvases.

After many years of working in traditional acrylic painting and mixed media, Susan (Sue) Passarelli Ferraro switched methods of painting and has been working to perfect the art of "Pouring". This technique involves creating paintings using a more fluid form of acrylic paints which are poured rather than brushed onto a painting surface. Sue has several series of pours and other paintings which have been on view at local galleries.

Studio Art House was established in 2000 by a family of artists. First located in Flower Mound, Studio Art House has expanded to meet the growing needs of artists of all ages in the Dallas-Fort Worth area, opening additional locations in Southlake and Highland Village.

Little Mermaid Lewisville

March 8-10, 2019

The Actors Conservatory Theatre

359 Lake Park Rd, Lewisville, TX

[Event website](#)

In a magical kingdom beneath the sea, the beautiful young mermaid, Ariel, longs to leave her ocean home to live in the world above.

Based on one of Hans Christian Andersen's most beloved stories and the classic animated film, Disney's The Little Mermaid is a hauntingly beautiful love story for the ages. With music by eight-time Academy Award winner, Alan Menken, lyrics by Howard Ashman and Glenn Slater and a compelling book by Doug Wright, this fishy fable will capture your heart with its irresistible songs, including "Under the Sea," "Kiss the Girl" and "Part of Your World."

Ariel, King Triton's youngest daughter, wishes to pursue the human Prince Eric in the world above, bargaining with the evil sea witch, Ursula, to trade her tail for legs. But the bargain is not what it seems, and Ariel needs the help of her colorful friends, Flounder the fish, Scuttle the seagull, and Sebastian the crab to restore order under the sea.
